Short Description

- Industrial natural rubber compound to withstand roughest of environments
- Highly visible colored beveled borders are permanently affixed to the mat to prevent swelling/ curling
- Beveled edges 3 sides
- Superb anti-fatigue properties due to its unique design underneath
- Closed design ensures easy cleaning and prevents small items from falling under the mat
- Anti-slip DiamondGrid™ top surface

Description

High quality anti-fatigue matting for heavy duty industrial environments. Unique DiamondGrid™ surface pattern ensures sure footing to prevent slips and falls while channels drain incidental oil exposure. Closed design ensures easy cleaning and prevents small items from falling under the mat. Made of 100% nitrile rubber compound designed to withstand industrial oils and harsh chemicals. Suited for multi-shift operations. Remarkable worker comfort derived from 20 mm thick resilient worker platform. Standard size mats for individual workstations are loose lay and require no installation. Highly visible nitrile rubber with colored borders included on 3 sides for added safety to prevent tripping. Non-shifting. Free of silicone therefore safe for vehicle painting facilities.

Specifications

Model No	649
Brand	NoTrax
Available Colors	Black/Yellow; Black/Orange
Thickness	7/8"
Overall Thickness	7/8"
Standard sizes	26"x40"; 38"x124"; 38"x64"
Group	Ergonomic, Anti-fatigue & Safety Matting
Environment	Dry Areas
Special Characteristics	Free of DOP, free of DMF, free of ozone depleting substances, free of silicone and free of heavy metals
Recommended Use	For placement in manufacturing plants, production lines, assembly lines, CNC machines, metal working for individual workstations and custom work platforms
Edges	Colored borders included on 3 sides
Installation	Standard size mats are loose lay and require no installation.
Cleaning Remark	Closed design ensures easy cleaning and prevents small items from falling under the mat
Material Specifications	Nitrile Butadiene Rubber (NBR)
Surface Detail	Unique DiamondGrid™ pattern
Process	Compression Molding
Anti-Fatigue Rating	Best
