- Solid for dry areas Perforated drainage holes to remove liquid and debris for worker platform
- 45° beveled edges on all 4 sides
- Non-allergenic, silicone-free compound
- Easy to clean with a mild degreaser and hose, even dishwasher safe

Description

Superfoam™ is an extremely lightweight durable anti-fatigue foam mat designed especially for ease of handling and ergonomic comfort. Made from a closed cell PVC/Nitrile foam blend Superfoam™ does not absorb liquids and is highly resistant to greases, oils, animal & vegetable fats. This allows it to be used in areas where occasional overspray and dripping occur such as dishwashing stations and bar areas. Because Superfoam™ is lightweight, it is the perfect mat for use in areas where mats are regularly moved for cleaning like cooking lines, service counters, and food prep stations.

Specifications

Model No	T17
Brand	NoTrax
Available Colors	Black
Overall Thickness	5/8
Roll Sizes	3'x 75'; 4'x 75'
Custom Lengths	3' and 4' widths (up to 75' long)
